Our History

Since 1920, the YWCA Hanover has been recognized for providing programs and social services to women, girls and families in the greater Hanover area. Programs such as Y-Teens & Hi-Y program, dances, Girl Reserve meetings, summer camp, Women's Resource Center, Welcome Wagon, Garden Club, gymnastics programs, childcare programs, English as a Second Language, and Safe Home domestic violence services are just a few of the programs the YWCA has offered over nearly 10 decades.

The YWCA Hanover has thrived and evolved to meet the unique challenges women and their families have faced with each new decade. From fighting for women's right to vote and equal treatment for all groups of people to the well-being of our children, we have made Hanover a richer community by bridging a gap that existed prior to our being.

Where We Are Now

Today, the YWCA Hanover is mission-focused and putting resources toward providing quality childcare for families, serving victims of domestic violence-both women and men- while fighting to end domestic abuse, and championing the merits of a diverse population through educational programs and events. We believe that when girls and women are empowered, when individuals and groups of people are afforded equal treatment, and when our community is healthy in all ways, the YWCA is meeting our mission of Eliminating Racism, Empowering Women and promoting peace, justice, freedom and dignity for all. Our goals for growth strategically focus on this strong mission.

Where We Are Headed

We are committed to growing our services to combat domestic violence, create more affordable programs, develop additional programs for girls to develop healthy self-esteem and programs for women to be holistically healthy as well as increasing inclusion and diversity services. The YWCA will focus on girls and women and the underserved diverse population as our mission compels us to do so because we have a unique and celebrated history for making progress in leaps and bounds for nearly 100 years in Hanover. The undeniable right of every individual to be afforded equal rights and equal treatment will continue to drive our services and programs to meet our mission.

The YWCA Hanover must continue to be relevant to our community in order to remain sustainable, must continue to raise funds to provide programs no other agency is equipped to provide in our community, and will need to be flexible and dynamic as we grow toward a more accepting cultural transformation of equality for all.

Why We Need You

We need your financial support to make these plans happen and meet the challenges ahead. Our Board of Directors continues to grow stronger with a diverse group of dedicated professionals leading the charge. Our invaluable volunteer base must flourish in order to initiate much needed fund raising activities and promote social awareness for our programs and services. The strategic plans we have developed for the next three years will be the driving force to keep our nonprofit business financially solvent and healthy.

Your financial support is needed now. Your willingness to get involved will propel the YWCA Hanover to a more secure future where vital services will never be threatened due to lack of funding. Please become part of a new movement...join the YWCA today as a donor, and consider becoming a volunteer, a member, or a program participant and support the legacy of our mission: Eliminating racism, empowering women and promoting peace, justice, freedom and dignity for all.
