Please join YWCA Hanover Safe Home in raising awareness of victims’ rights and services, by highlighting programs, celebrating progress achieved, and honoring victims and the professionals who serve them!

**SUNDAY, APRIL 18 - AWARENESS DAY**
To kick off the week, look out for YWCA Hanover Safe Home’s social media posts to learn more about services available to victims of crime and how these services are funded.

**MONDAY, APRIL 19 - PROCLAMATION DAY**
Join members of our community proclaiming the week to be Crime Victims’ Rights Week and gain perspective into what our community is doing to promote victims right!

**TUESDAY, APRIL 20 - LAW ENFORCEMENT RECOGNITION**
YWCA Hanover Safe Home recognizes law enforcement’s commitment to serving victims of crime. Connect with us on social media to learn more about the Lethality Assessment Protocol (LAP) program, which is fundamental in connecting domestic violence victims with life-saving services.

**WEDNESDAY, APRIL 21 - SURVIVOR STORIES**
Join us in honoring victims of crime with survivor story tributes. An important part of providing advocacy for victims of crime is remembering their stories. Survivors help us to gain perspective into how the systems have helped victims, and how they have fallen short. By listening, our community continues to grow as advocates, family members, neighbors, and friends.

**THURSDAY, APRIL 22 - CANDLELIGHT VIGIL**
Tune in for YWCA Hanover’s Facebook live, virtual candlelight vigil honoring victims of crime. Take this opportunity to remember those whose lives have been impacted by crime. Live music will be provided courtesy of Deb Smith, Social and Racial Justice Coordinator. The vigil will begin at 6pm.

**FRIDAY, APRIL 23 - ADVOCATE APPRECIATION**
YWCA Hanover Safe Home would like to recognize the dedication of our advocates - their work with victims of crime make a profound impact within our communities!

**SATURDAY, APRIL 24 - TOGETHER, WE STAND**
To conclude the week, YWCA Hanover Safe Home would like to thank our community partners. Our community partners are a vital component to connecting victims of crime with appropriate resources. This year, we are pleased to honor UPMC Hanover, WellSpan Gettysburg, and Adams County Sexual Assault Services!
